Pentagonal Sewing box

A five faced box made of 2mm cardboard. The pieces are cut separately, mitred and then assembled. The lid's brim is covered with Japanese *Chiyogami* paper. Once the lid lifted, the sides lower and give access to all your sewing kit. Content consists of a thimble, a needle threader, needles, a pair of scissors, a tape and a handmade wooden darning egg.

Outside covered with Japanese plum coloured *Tsumugi* paper, inside dark purple Japanese *Satogami* paper.

14 x 14 x 12 cm
